Find out how to activate Swibeco for your company

swibeco
The Swiss Benefits Company

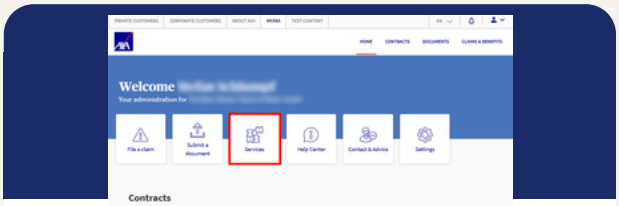

Company registration

1

Log in to myAXA.ch with your company administrator access. If your company is not yet registered with myAXA, please click on « Register now » to request registration.

2

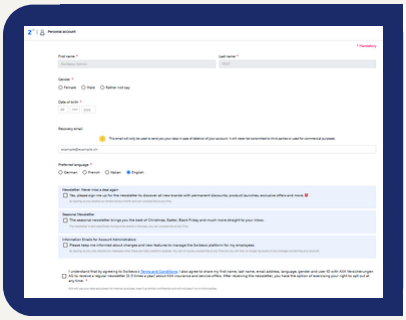

Click on the tile « Services ».
This step can only be performed by the administrator.

3

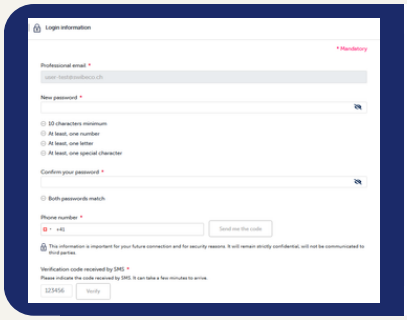

Find out about the special conditions available for AXA customers by clicking on « Discover Swibeco now ».

4

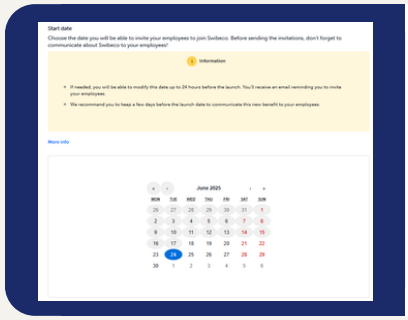

Complete your personal information.

5

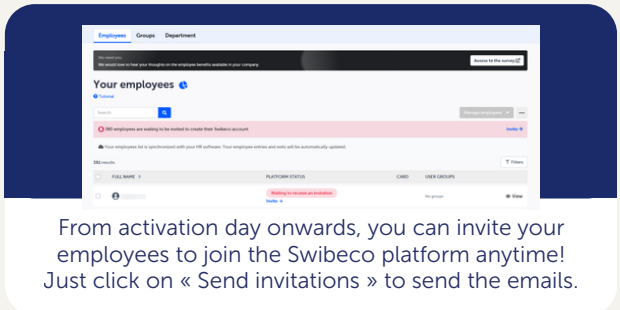

Create a password for your personal account and validate your phone number.

6

Select a launch date for your company and accept Swibeco's Terms and Conditions.

7

From activation day onwards, you can invite your employees to join the Swibeco platform anytime! Just click on « Send invitations » to send the emails.
