Swibeco Platform

What is Swibeco?

Swibeco is a benefits platform that immediately increases your purchasing power through permanent discounts valid at 150 partner retailers.

Permanent discounts!

The discounts offered on the platform are valid every day and can be combined with the promotions and discounts of the partner brands. This means that you benefit twice!

How does it work?

The platform offers vouchers at reduced prices (e.g. for Coop, Manor), discount codes (e.g. for Migros Online, Interhome) or links with exclusive discounts (e.g. for Booking.com).

Tips

Sign up for the newsletter via your profile so that you don't miss any offers or new partner brands. It's free!

If you bought a digital voucher, take a screenshot with your smartphone and it will be easily accessible at any time!

How can I take advantage of the vouchers?

Go to the Swibeco platform and log in with your email and password.

From the categories in the navigation bar, find your favourite brands.

Select a voucher of the desired amount (in this example, a CHF 200.- voucher).

Read the deal's conditions (under the picture) and add the item to the cart to continue.

When you reach the payment stage, you can review and finalise the purchase.

Use your Swipoints to pay for part or all of your purchase.

If you don't have Swipoints or don't want to use them, please choose another payment method from those available.

Accept the T&Cs and proceed to payment. Your vouchers will be available on the confirmation page.
