Advantages for your employees

The Swibeco benefits platform offers your employees access to specially negotiated discounts at a wide range of leading brands in Switzerland. Every month, more retailers are added in all price segments and categories. There is something for everyone: multimedia, food, fashion, sports, phone subscriptions, insurances, petrol, travel, books and much more.

These discounts between 4% and 35% are permanently valid and can be cumulated with other discounts. This way, your employees save up to several thousand francs per year!
