Your advantages as an employer

Stronger employer brand

With Swibeco benefits, you increase the satisfaction and loyalty of your employees.

Centralisation of all benefits

All discounts, gifts, perks and rewards are centralised on one single digital platform.

More purchasing power

The permanent deals ensure an improvement in your employees' financial well-being.

No double administration

Thanks to myAXA, there is no extra administration hassle for your company.

No extra costs

The benefits platform can be used by AXA DSB clients at no additional cost.

Easy activation via myAXA

Create your company account in just a few clicks on the myAXA platform.

Advantages for your employees

The Swibeco benefits platform offers your employees access to specially negotiated discounts at a wide range of leading brands in Switzerland. Every month, more retailers are added in all price segments and categories. There is something for everyone: Multimedia, food, fashion, sports, phone subscriptions, insurance, gas stations, travel, books and much more. These discounts between 4% and 35% are permanently valid and can be cumulated with other discounts. This way, your employees save up to several thousand francs per year!

Some brands that offer permanent discounts

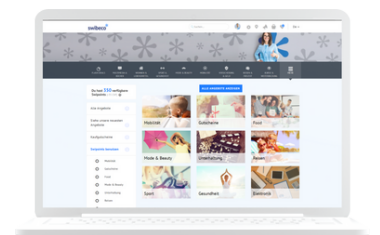

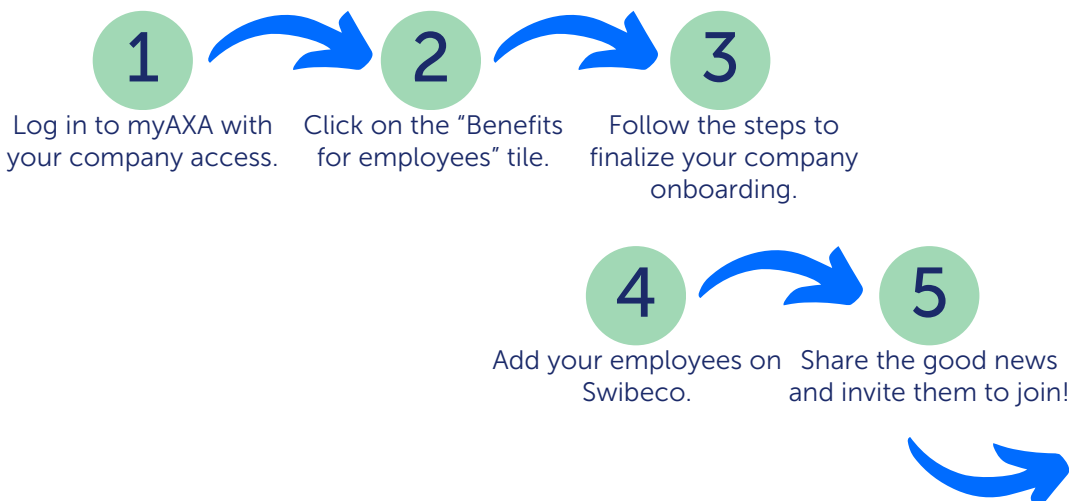

Free of charge for the first 200 employees

The Swibeco benefits platform is an integrated part of the daily sickness benefits insurance (DSB) and is therefore free of charge for all AXA DSB clients with up to 200 employees. Because AXA covers the full cost of the usage fee for your employees. From the 201st active employee onwards, an annual fee of CHF 60.- (excl. VAT) per person applies. It's never been easier to make people happy!

How do I register my company?

Easy as pie – simply activate the Swibeco benefits via your myAXA portal.

From launch day, you can invite your employees to join the Swibeco platform whenever you want! Just click on "Send invitations" to launch the emails!
